

PACE OF PLAY

# Ready Golf. (FOR STROKE PLAY)

## Hit your Shot

Hit your shot if the player who has just played from a bunker is still farther away but delayed due to raking the bunker.

Putt out even if it means standing close to someone else's line.

## Putt Out

## Honour

Hit your tee shot if the player with the honour is not ready to play.

Play when a player who is farther away is facing a challenging shot and is taking time to assess their options.

## Assessment

## Shorter Hitters First

If the group in front is out of range, short hitters play first.

Hit your shot before helping someone search for their ball.

## Hit then Search

When a player's ball has gone over the back of the green, play if you are ready.

## Over the Back
