

PACE OF PLAY

Management Practices.

Longer Starting Intervals

Avoid overloading the course – more golfers causes congestion. Longer intervals between starting times can help.

Encourage Ready Golf

Use Ready Golf in stroke play formats.

Encourage shorter and faster forms of play, e.g. 9-hole, match play and Stableford.

Alternative Forms of Play

Time Par

Establish a target time for your course and monitor performance.

For more information please see our Pace of Play manual at www.randa.org
