Management Practices.

For more information please see our Pace of Play manual at www.randa.org

**Longer Starting Intervals**

Avoid overloading the course – more golfers causes congestion. Longer intervals between starting times can help.

**Encourage Ready Golf**

Establish a target time for your course and monitor performance.

**Time Par**

Use Ready Golf in stroke play formats.

**Alternative Forms of Play**

Encourage shorter and faster forms of play, e.g. 9-hole, match play and Stableford.
