

GET TO KNOW THE WOMEN IN GOLF CHARTER

2018

THE CHARTER

Was established in 2018 to encourage more women and girls into golf and into the golf industry.

STATEMENT OF INTENT

The Women in Golf Charter is a statement of intent from the golf industry to unite and to focus on striking a better gender balance.

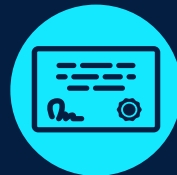

WORK AND PLAY

By creating better conditions for women and girls to enter the sport, we can increase the number participating in and working within golf.

CHARTER SIGNATORIES

The first step in supporting change is for clubs, facilities and other organisations connected to the sport, to become Charter signatories.

COMMITMENTS

Each signatory is asked to make 4-6 charter commitments. These represent the internal strategy it will adopt for enhancing gender balance.

200+

JOIN THE MOVEMENT

So far, over 200 golf organisations have signed up to the Women in Golf Charter.

CHAMPION THE CAUSE

Each signatory also commits to strongly advocating for more women and girls playing and working in golf.

#FOREeveryone

New in 2020, the #FOREeveryone campaign will unite the golf industry in its effort to make golf more inclusive and safeguard it for the future.

UNITED FRONT

The R&A is working with industry partners to promote #FOREeveryone and the Women in Golf Charter
