Women in Golf Charter

Golf Association of Serbia (GAS), the governing body for golf in Serbia, is pleased to support the R&A on the launch of the "Women in Golf Charter". Support of Women in Golf is one of the primary activities of the GAS, with the following already achieved:

- Our current General Secretary is female
- We have female as a member of the Referees Committee and HCP Committee of the GAS
- We have a member in the Committee „Women and Sport“ of the Olympic Committee of Serbia
- We have female golf referees
- Since 2017 it has supported the worldwide event Women's Golf Day
- Equal opportunities for members of the National and Junior National Golf Team

As signatories to the Charter, we will:

- Increase the percentage of female members from its current level
- Use media promotion to motivate women to play golf
- In co-operation with elementary schools, engage and promote the physical and social development that golf offers
- Encourage affiliated golf clubs and associations in Serbia to sign up to the Women in Golf Charter and to share progress annually with GAS

We look forward to further work with The R&A on promoting and involving women in golf.
